Dial Vial® The simple, cost-effective patient compliance pack

Busy, modern lifestyles mean that non-compliance to prescribed medication is now universally recognised as a significant problem, leading to **ineffective treatment**, **life threatening** situations and **increased costs** to our healthcare system.

Dial Vial® has been specifically developed to deliver:

- A cost-effective aid to improved compliance
- A simple and easy-to-use aid to improved compliance

The Dial Vial® is available in 5 dosage regimens and 6 different bottle sizes:

PRN

1 x DAILY

2 x DAILY

3 x DAILY

4 x DAILY
