SALES DEVELOPMENT

Salary from £18,000 - £25,000 p.a. (Plus performance related bonus) dependent on experience

This fast paced and varied sales role is an excellent opportunity for you to develop your career. Based at our head office, you will be responsible for developing profitable sales opportunities with our growing number of clients. This will involve dealing with new and existing customer projects and sales enquiries, in addition to promoting our innovative products to our key target clients.

Previous sales experience and a proven ability to build long-term client relationships, preferably in a business-to-business environment, are essential requirements for this customer facing role.

You will need determination, enthusiasm, excellent attention to detail and first class interpersonal skills to succeed in this varied and demanding role. Full product and sales training will be provided as well as ongoing support.
