# PERSONAL CARE PACKAGING

**New purpose built warehouse and distribution centre increases stockholding capabilities, improves flexibility and enhances customer service.**

## ① Large Inventory

Having a large and varied inventory of innovative, high quality packaging means we can fulfil your orders on a Just-In-Time delivery basis. This **saves you time as well as the cost** of investing in excessive stock and expensive storage facilities, improving your cash flow.

## ② Unrivalled flexibility

Our unrivalled flexibility means that we can **very quickly supply very low minimum order quantities** of just one carton from our extensive standard product range.

## ③ Unique combination

Our unique combination of **packaging expertise and specialist logistics**, warehousing and inventory skills means you get great packaging delivered with the minimum possible lead times.

#### 4 Global sourcing

Our global packaging knowledge and alliances with the **very best manufacturing facilities** throughout the world mean we can source the most appropriate packaging solution from the most competent partner in Europe, Asia and the Americas.

#### 5 Full service custom design

From initial pack design through to appropriate material selection, tooling development and production and supply chain optimisation, we apply our experience to help you create a **stunning brand image**.

#### 6 Total solution provider

In order to ensure seamless compatibility, we provide a total solution which includes, but is not limited to:
